

Diabetes Sisters

2021 Year In Review

PODS Meetups peer support groups held via video and conference calls: volunteer leaders held 330 meetings with 2400+ participants.

Leadership Institute

welcomed 40 leaders for 10 sessions during our 7th annual and 2nd virtual weekend.

Type 2 Advisory Group

comprised of PODS Leaders who met quarterly to offer perspectives and lived experience.

Collaborations included Diabetes Health, EndoCares, Healthline Media, Know Diabetes by Heart, Media Planet, National Minority Quality Forum, and Walgreens.

New Resource for South Asian Women added to our Library with translations in Bengali, Gujarati, and Hindi.

Impressive Community Reach

of more than 500K women with all types of diabetes via our social media, eNewsletter, and website.

13 years improving the health and quality of life of women with diabetes, offering support and education, and advocating on their behalf.
